## NORMATIVE AND LEGAL ACTS DEFINING LOCAL SELF-GOVERNMENT

*Local self-government is the right of a territorial community — residents of a village, a settlement and a city — to independently resolve issues of local character.*

Constitution of Ukraine

*Local self-government denotes the right and the ability of local self-government authorities, within the limits of the law, to regulate and manage a substantial part of public affairs under their own responsibility and in the interests of the local population.*

European Charter of Local Self-Government

*Reforming of local self-governance and territorial organization of power is carried out in compliance with the principle of subsidiarity and the provisions of the European Charter of Local Self-Government.*
